PRESENTED BY THE
SENIOR CLASS
OF
GRIFFIN HIGH SCHOOL
GRIFFIN, GEORGIA

THE
SPOTLIGHT
1938

THE SPOTLIGHT

FOREWORD

It is the desire of the Class of '38 in presenting this, the twenty-first edition of the Spotlight, to show in some small way our appreciation to all those who have contributed toward making our life at Griffin High more pleasant and beneficial.

It seems most appropriate that, as the theme of this annual is early transportation, we should in later years be able to travel back by means of it to our happy school-days at G. H. S.

*We hope that we accomplish this as we present—
The Spotlight of 1938.*

Anne Hill Drewry

DEDICATION

To our dear helper and companion, who with tireless effort has joined with us and our predecessors in making our Spotlight a success; who has always stood ready to counsel and aid her students during her years of teaching; and who holds the respect and love of the entire student body—with endearing memories and deepest appreciation, we, the Senior Class of nineteen thirty-eight, dedicate this, the twenty-first volume of The Spotlight to—

CLASS POEM, 1938

The little children we once were
Walked blindly the path of life,
With no understanding of what was there—
It all seemed endless strife.
We walked by faith, the way not clear,
But God led, and we trusted Life.

This path ahead had for its span
Much more than we could see,
But our Master had counseled every man
Of the Glory yet to be.
And so 'twas decided by our clan
To go on patiently.

Years treading on unfamiliar ground
Brought us nearer to the sun,
But on looking forward we have found
Our journey's just begun.
Before us lies an invincible mound,
To be faced by everyone.

Those who have crossed the mound already
Know what life gave and denied
And now, at last, we've come to see
What's on the other side.
May we face the world with courage and be
Led by Faith as our guide!

NATIONAL HONORARY BETA CLUB

"The purpose of this organization shall be the promotion of scholastic excellence and cultivation of the ideals of loyalty, courage, honesty, and leadership among high school students."

For the first time Griffin High School has a Beta Club. At the time of its organization in November, only senior members were named to the club. Since Christmas members of the Junior Class have been elected to augment the list. To the latter group will fall the task of carrying on the work and upholding the ideals of the club next year.

THE SPOTLIGHT

THE HIGH LIGHT

The staff of The High Light organized in September for the purpose of publishing monthly a newspaper which would in its columns reflect the daily school life of Griffin High, would merit the interest of all its readers, would uphold the high standards of journalism which former staffs have set, and would offer opportunity for the publication of worthy literary efforts of the student body.

The High Light has tried throughout the year to foster and promote a proper school spirit by words of encouragement, by words of congratulation, and now and then by words of just criticism.

The purpose of The High Light has been to serve well the community which supports it.

ATHLETICS

GRIFFIN HIGH FOOTBALL SEASON

Only two years after coming to Griffin High, Coach Dana McLendon gave the school the first undefeated and untied football squad in its history. After a full nine-game season, Griffin was declared co-champion, with Spalding High School, of the North Georgia Interscholastic Conference.

As may be seen from the scores, Griffin defeated some of the outstanding teams in high school circles of Georgia. Four defeats of the previous season were avenged when Griffin won easily from Russell, Gainesville, Decatur and Cartersville.

In nine games Coach McLendon's high-scoring aggregation rolled up 328 points, while holding the opposition to 12. And those 12 points were scored by a Bowden team that already had been badly licked. They came after Griffin's regulars had piled up 38 points and McLendon had sent in his second and third stringers.

During the season Captain Powers led the touchdown parade with 19. E. B. Jones had 13 to his credit. Clomer Lewis made 7, all of them coming on his brilliant end-around runs. Charlie Waller, plucky little second string halfback, crossed the goal line four times. Robin Gunter tallied three times on end-arounds and passes. Gunter was on the receiving end of one pass from Captain Powers that netted 50 full yards. Johnny Clements scored twice during the season. G. C. Helms and Harold Hadden made one each.

At the conclusion of the season, coaches in the N. G. I. C. selected two all-star teams. Griffin led the way with three men on the first team. They were Captain Powers at quarterback, Clomer Lewis at end, and James Ragsdale at tackle. E. B. Jones was barely nosed out of a place on the first squad, but easily polled enough votes to rate a half back position on the second team.

Robin Gunter, an end; John Underwood, a guard; James Pounds, center; and Johnny Clements, quarterback received honorable mention.

Members of the 1937 championship squad included: Watson, Beckham, Greer, Leary, Turner, Powers, Spier, Waller, Larkin, Clements, Hadden, Kile, Helms, Jones, Davis Williams, Downey, Lewis, Gunter, Ragsdale, Strickland, Wilson, Philip Williams, Pounds, Underwood, Cowan, Miller, Dallas, Taylor, Prothro, and Britt, Hammond-Manager, Brisendine-Assistant Manager.

GIRLS' BASKETBALL SEASON

The girls' basketball team at Griffin High School had a most successful season in 1938. Under Mr. Kay's guidance the team won the majority of its games and played good basketball.

While some of the experienced players will be lost through graduation, several first year girls showed promise of developing into first class material for next year.

The city of Griffin was proud of its teams as evidenced by the large crowds that attended every game. The team has made an excellent record for succeeding teams to uphold.

BOYS' BASKETBALL SEASON

The nine boys who played basketball for Griffin High in 1938 led their school through a remarkably successful season, with only two defeats out of twenty-five games. The team was headed by Captain Robin Gunter.

Griffin's scoring machine piled up 774 points against 480 for the opposition. While there were several outstanding individual players, it was team work which produced such a successful season. The team played an excellent defensive game also.

Griffin played in three tournaments during the 1938 season. The first was the Fourth District Tournament, in which they were declared champions; next came the N. G. I. C. contest, in which the team was runner up; and last but not least, the state tournament, which the quintet won for the first time in the history of Griffin High School. A fine record for both coach and team!
